COMMUNITY IMPROVEMENT PLAN FAÇADE GRANT/LOAN PROGRAM TERMS AND CONDITIONS

PURPOSE OF GRANT/LOAN

The goals of Cramahe Township's Community Improvement Plan Façade Loan/Grant Program are to provide incentives for businesses to enhance their building's presentation to the public with improved storefront designs and paint schemes to contribute to the overall enhancement of downtown Colborne and Castleton as "Vintage Village".

This is a matching grant program, which means that the applicant pays a portion of the improvement and the Township provides a grant for a portion up to a maximum of \$3,000. The maximum interest free loan an applicant may receive is \$3000. The applicant can apply for both the loan and grant simultaneously. Costs in excess of the maximum grant and loan shall be the responsibility of the applicant.

To be eligible for the loan and grant program the applicant must be the registered owner of the subject property and must be current with their property taxes. Any work completed prior to approval by the Township is not eligible for funding.

The Grant/Loan may only be used for the purposes of commercial façade improvements as indicated on the application form. The improvements must also be eligible for grant/loan approval under the terms of the program. Grant/Loan allocations are made subject to Council approval.

Only commercial properties are eligible for façade improvement loan and grant funding. Outstanding work orders must be satisfied prior to the funding approval.

The Township may loan up to 100% of eligible costs, however, project with leveraged funds will be given priority.

The loan is also transferable to successors in title provided the new owner meets the eligibility criteria and agrees to the terms and conditions of the loan.

MUNICIPAL FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT

The Township may promote the program in partnership with the Economic Development Advisory Committee and reserves the right to use approved and funded projects as examples in promotional programming. The Township may promote an approved project by using photographs and descriptions of the project in promotional materials.

Applications for which grants and/or loans have been approved will be made available by notifying the applicant in writing, and will be disbursed by cheque made payable to the owner following:
