TOWNSHIP OF CRAMAHE

**Hydrant Flushing Notice**

Lakefront Utility Services Inc. will be performing fire hydrant flushing during the month of October 2017

This testing could cause low water pressure and you may experience discoloured water. Please run your cold water taps until the water becomes clear.

We suggest that you refrain from doing laundry between 8:00 a.m. and 5:00 p.m. during this flushing operation.

**Thank you for your co-operation**
